SKG ANNUAL CULTURAL PRESENTATION

MILAN – "Where Bonds Grow, Values Endure"

Dear Parent

At Vishwa Bharati Public School, we believe that education extends beyond the classroom. In keeping with the vision of the National Education Policy (NEP) 2020, we endeavour to provide our young learners with meaningful opportunities to learn through experiences, collaboration, creativity and active participation.

We are delighted to invite you to **MILAN - Class SKG Annual Cultural Presentation**, scheduled to be held on 27 November 2026 (Friday).

MILAN - "Where Bonds Grow and Values Endure" is a celebration of the cherished bond between generations. It brings together our young learners, their fathers and grandfathers to celebrate family, culture, traditions and timeless values.

In a rapidly changing world, Milan provides a meaningful platform for children to connect with and learn from the generations that have shaped their lives. Through music, movement, performances and collaborative experiences, children will develop confidence, communication, creativity, teamwork and social-emotional skills, while experiencing the joy of togetherness.

The presence and participation of fathers and grandfathers will make this occasion particularly special. It will provide children with an opportunity to experience and appreciate values such as respect, love, empathy, gratitude, togetherness and cultural heritage through meaningful interactions and lived experiences.

Your ward has been selected to participate in this special presentation. Regular practice sessions are being conducted during school hours. We request you to ensure your ward's regular attendance and encourage enthusiastic participation.

The costume required for the performance will be provided by the School. A sum of ₹575/- is payable towards the costume. The costume will be sent home with the child.
