HEALTH AND ATTENDANCE PROTOCOL FOR MONDAY TESTS

(FOR CLASSES PRE-NURSERY – XII)

Dear Parent

It has been observed that some students, despite being medically unfit, are being sent to school on Mondays solely to appear for the weekly test. Following the test, a request for early pick-up or half-day leave is often made.

We wish to remind you that the health and well-being of our students is our top priority. Attending school when unwell not only affects the child's recovery but also poses a health risk to others. Furthermore, leaving school mid-day disrupts the learning process and hampers classroom discipline.

Kindly take note of the following:

- **If your ward is unwell or recovering from any illness, please refrain from sending them to school just to appear for the Monday test.**
- **In such cases, a medical certificate must be submitted, and the school will consider the case as per the Re-test policy**
- **Half-day leave requests on test days will not be entertained unless in genuine emergencies.**

We seek your cooperation in helping us maintain a healthy and conducive environment for learning.
