

# VISHWA BHARTI PUBLIC SCHOOL, NOIDA

*The March is On...*

## Workshop on Capacity Building Program on Toy-Based Pedagogy

- Date of Workshop : 29th November 2025
- Time: 8:00 a.m. till 3:00 p.m.
- Venue: Pre-Primary Auditorium,
- Organized by: Vishwa Bharti Public School, Noida
- Resource Person : Ms. Seema Wahi Mukherjee
- Participants: Teachers from Pre-Primary to Class 2

### Purpose of the Workshop :

The purpose of this CBSE-recommended Capacity Building Program was to develop teachers' competencies in implementing toy-based pedagogy as part of experiential and activity-based learning. The workshop aimed to align teaching practices with the National Education Policy (NEP) 2020 by promoting learning through play, exploration, and hands-on experiences. The session focused on equipping teachers with practical methods to integrate educational toys and manipulatives into classroom teaching to enhance concept clarity and learner engagement.

### **Highlights of the Workshop :**

Orientation on the concept, rationale and benefits of toy-based pedagogy. Demonstration of a variety of educational toys such as blocks, beads, puzzles, puppets and flashcards. Hands-on participation in activities including storytelling with puppets, pattern-making, sorting games and constructive play. Guidelines for designing toy-based activities for Language, Numeracy and EVS. Emphasis on holistic development—cognitive, motor, social, emotional and creative skills. Introduction to low-cost/no-cost toy-making using local materials. Group discussions encouraging teachers to share experiences and classroom challenges.

Teachers made Puppet, bird as a prop & narrated story related to it.

### **Reflection:**

Participants found the session highly interactive and enriching. The workshop provided clear insights into how toys can make learning more child-centric, enjoyable, and meaningful. Teachers expressed that the practical demonstrations improved their confidence to incorporate play-based strategies into daily lesson plans. The session encouraged reflection on current practices and highlighted the importance of creating an inclusive, joyful, and experiential learning environment.

## **Conclusion:**

**The Capacity Building Program on Toy-Based Pedagogy successfully fulfilled its objectives and contributed to enhancing teacher preparedness for implementing CBSE's experiential learning practices. The workshop reinforced the NEP 2020 vision of joyful learning and empowered teachers with effective strategies for classroom implementation.**

**The school expressed gratitude to Ms. Seema Wahi Mukherjee for delivering an engaging and insightful session. The enthusiastic participation of all teachers played a key role in the success of the program**
