PRINCIPAL'S MESSAGE

AMITA GANJOO
PRINCIPAL

Dear Parents and Readers,

As we step into a new academic session, it gives me great happiness to share the first edition of e-magazine Hunar for the months of April and May session 2026-27. A new session always brings fresh energy, new ideas, and countless opportunities for learning and growth.

This year is especially memorable for all of us as we celebrate the Platinum Jubilee Year of the Vishwa Bharti Women's Welfare Institution-75 glorious years of dedication to education and holistic development. It is a proud moment to be part of an institution that has consistently nurtured generations of learners with strong values, academic excellence, and a progressive outlook.

In today's fast-changing world, education is no longer confined to classrooms and textbooks. Our focus continues to be on creating an environment where students develop essential life skills, confidence, creativity, and adaptability. Through technology-integrated learning and experiential activities, we are preparing our learners to face future challenges with competence and responsibility.

The enthusiasm and participation shown by our students in various academic, cultural, and co-curricular activities during these initial months of the session have been truly commendable. Their achievements reflect the collective efforts of dedicated teachers and supportive parents who work hand in hand for the growth of every child.

I congratulate the editorial team for bringing out this edition and wish all our students a joyful, productive, and enriching year ahead.

ANITA TRIKHA
PRE-PRIMARY HEAD

It gives me immense joy to welcome you all to the first edition of Hunar for the academic session 2026–27. As we step into the second successful year of our magazine, we proudly continue this beautiful journey of celebrating creativity, learning, and the joyful spirit of childhood.

The beginning of a new session always brings fresh hopes, new dreams, and endless possibilities. In our pre-primary wing, we believe that every child is unique and full of potential. Our aim is to nurture young minds with warmth, love, care, and meaningful learning experiences that help them grow into confident and happy learners. We strive to create a secure and stimulating environment where curiosity is encouraged, imagination is celebrated, and every little achievement is valued.

This year is even more special as we proudly celebrate 75 Years of Excellence — our Platinum Jubilee Year. This remarkable milestone is a reflection of our rich legacy, strong values, and unwavering commitment to holistic education. The year ahead will be filled with vibrant activities, joyful celebrations, and memorable learning experiences inspired by this grand occasion.

At the heart of everything we do lies a simple belief — children learn best when they feel loved, safe, and inspired. Together, let us continue touching young lives with compassion, creativity, and a personal touch that makes learning truly meaningful.

Wishing all our little stars a wonderful year filled with laughter, discovery, and success.

Respected Principal, dear teachers, loving parents, and my dear little children,

It is a moment of immense pride and joy as our school completes 75 glorious years of its journey. For seven and a half decades, this institution has been a place where dreams have taken shape, young minds have blossomed, and generations of students have grown with values, knowledge, and confidence.

Today, as we begin a new academic session, we welcome our little ones who are taking their first steps into the beautiful world of learning. Dear children, this school is now your second home — a place where you will explore, create, make friends, ask questions, and discover your own talents.

The early years of childhood are the foundation of a lifelong journey. Every smile, every story, every activity, and every new experience in kindergarten helps you grow into a kind, curious, and confident individual.

Our 75-year legacy reminds us that education is not only about books and lessons, but also about kindness, respect, creativity, and becoming good human beings.

Dear children, walk into this new year with excitement and courage. May you fill our classrooms with laughter, imagination, and new ideas. May this year bring happiness, learning, and countless beautiful memories.

Let us together celebrate the past 75 years and step forward towards a brighter future.

Wishing everyone a wonderful and successful new session.

WORDS OF WISDOM

MEENAKSHI PATHAK
CURRICULUM HEAD

As we celebrate the remarkable milestone of 75 years of Vishwa Bharti Women Welfare of Institutions,we reflect with pride on a legacy built on excellence, values, and a steadfast Bharti commitment to quality education. This Platinum Jubilee is not only a celebration of our rich heritage but also an opportunity to reaffirm our vision for the future.

At the Pre-Primary Wing, we are dedicated to nurturing young learners through joyful, engaging, and meaningful experiences that lay a strong foundation for lifelong learning. Guided by the principles of the National Education Policy (NEP) 2020, we embrace a child-centric, play-based, and experiential approach that fosters curiosity, creativity, critical thinking, and holistic development. Our classrooms are vibrant spaces where children learn through exploration, storytelling, hands-on activities, collaboration, and discovery.

We continuously update our educational practices to align with contemporary pedagogical approaches while preserving the core values that have distinguished our institution for generations. Through competency-based learning and a nurturing environment, we strive to develop confident, compassionate, and responsible individuals prepared to thrive in an ever-evolving world.

This journey of growth and innovation would not be possible without the unwavering support and trust of our parents, the dedication of our teachers, and the enthusiasm of our young learners. As we commemorate 75 glorious years, we celebrate our achievements with gratitude and look forward to shaping many more generations of happy and successful learners.

REFLECTIONS FROM OUR PARENTS

I would like to thank you for organizing such a wonderful pool party. We really enjoyed it a lot. The musical chair game was especially fun—I played it after a long time and truly loved it.

Also, thank you for the lovely refreshments arranged by you. I really appreciate the kind and polite nature of all the staff towards the parents.

Although my daughter was crying continuously, I truly appreciate the efforts you made to comfort her and help her adjust to the pool environment. It means a lot to us.
