# HUNAR

EVERY CHILD, A STORY OF TALENT

**PRE-PRIMARY**

**OCT-DEC 2025**

# PRINCIPAL'S MESSAGE

**AMITA GANJOO**  
**PRINCIPAL**

Dear Parents and Readers,

It gives me immense pleasure to present the Oct–Dec edition of our Pre-Primary quarterly magazine, HUNAR, a celebration of the boundless curiosity, creativity, and confidence of our youngest learners.

Early childhood is a magical phase where learning unfolds naturally through play, exploration, and joyful experiences. At Vishwa Bharti Public School, we are deeply committed to nurturing this phase with love, care, and thoughtfully designed activities aligned with the vision of NEP 2020. Every classroom experience this quarter reflects our belief that learning should be meaningful, experiential, and child-centric.

From cultural celebrations and thematic activities to nature-based learning initiatives and joyful performances like Harshotsav, our children have expressed themselves with innocence and enthusiasm. Each activity has been carefully planned to foster communication skills, social-emotional growth, creativity, and a love for learning—laying strong foundations for lifelong development.

I sincerely appreciate the dedication of our Pre-Primary team for creating a warm, safe, and stimulating environment where every child feels valued and confident. I also extend my heartfelt gratitude to our parents for being true partners in this journey, supporting and encouraging their children at every step.

As you turn the pages of this magazine, you will witness not just activities, but moments of growth, smiles of achievement, and stories of learning in action. Together, let us continue to nurture young minds and inspire them to explore, imagine, and shine.

## HEAD'S DESK

**ANITA TRIKHA**  
**PRE-PRIMARY HEAD**

Early childhood is a precious phase where learning blossoms through love, care and joyful experiences.

Our quarterly activities are thoughtfully designed with a child-centric approach, encouraging play, exploration and hands-on learning to nurture strong values, curiosity, creativity and essential social skills.

A warm and secure environment allows children to feel comfortable, express themselves confidently and enjoy learning every day.

I deeply value the partnership between parents and teachers, as working together provides consistent guidance and holistic development, creating joyful learning experiences that lay a strong foundation for lifelong learning.

### **Discover • Develop • Delight**

**In the Bright-Beginners class, children joyfully learned through a simple garden story shared by the Teacher. Their curiosity sparked when they discovered a tiny seed hidden under a leaf. Together, they developed it by planting, watering, singing, and drawing while waiting patiently.**

**When a green sprout appeared, the classroom filled with smiles and cheers. The children experienced true delight, learning that curiosity, care, and patience make learning joyful.**

**This story reflects our commitment to experiential learning, nurturing curiosity, creativity, and happiness in every child.**

## WORDS OF WISDOM

**MEENAKSHI PATHAK**  
**CURRICULUM HEAD**

Our curriculum, aligned with NEP 2020, focuses on joyful, experiential, and child-centric learning. Children learn best through play, exploration, and hands-on activities that nurture curiosity, creativity, and thinking skills.

This quarter, classrooms became spaces of discovery where academics were meaningfully connected with values and real-life experiences. Under the CBSE initiative “Nurture the Nature – One Child, One Tree,” children celebrated birthdays by planting saplings, learning care, patience, and responsibility while developing a strong bond with nature.

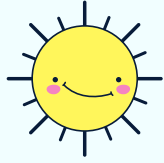

We appreciate the sincere efforts of our teachers and the continued support of our parents. Together, we are building strong foundations for lifelong learning.

# HARSHOTSAV

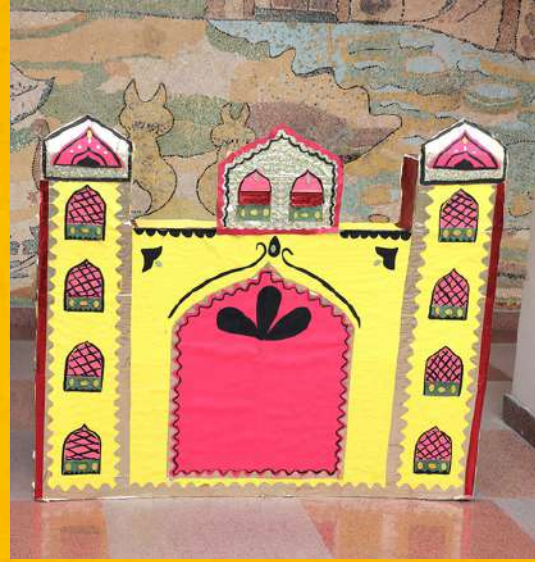

## A JOYOUS CELEBRATION

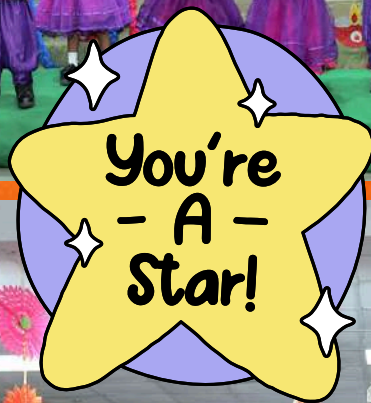

Harshotsav, a special Pre-Nursery celebration, was a joyful reflection of experiential and holistic learning in alignment with NEP 2020.

The event beautifully showcased the enthusiastic participation of our little learners, providing them with an age-appropriate platform to express themselves confidently. Through simple enactments, actions, expressive movements, songs, and dance performances, the children portrayed important moments from the life of Lord Ram with innocence and joy. The integration of music and movement enhanced sensory learning, creativity, and emotional expression, making the experience engaging and meaningful for the children.

The event helped instill core values such as truth, obedience, kindness, and respect, while also nurturing \*\*communication skills, social interaction, confidence, and stage presence\*\*—key developmental goals emphasized under NEP 2020.

Amazing!

# VISIT TO ZOO

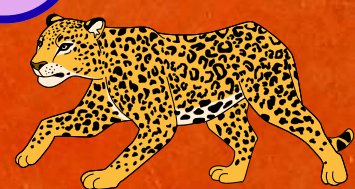

## Memorable Visit to the Delhi Zoo.

The Pre-Nursery students enjoyed a delightful and enriching educational excursion to the Zoo on 5th December 2025, accompanied by their teachers and parents. The visit provided a wonderful opportunity for children to explore and observe various animals and birds, extending learning beyond the classroom through experiential and joyful learning, as emphasized under NEP 2020.

Children, accompanied by their parents, were excited to see the animals up close, which helped develop curiosity, observation skills, and early environmental awareness. Parents actively participated by guiding their children, explaining animal names and habits, while also ensuring their comfort and safety throughout the visit.

The excursion fostered strong partnerships between school and parents, promoting social interaction, emotional bonding, and a supportive learning environment. It was a meaningful experience that blended fun, learning, and togetherness, leaving behind beautiful memories for the children, parents, and teachers alike.

# My Feathery Friend Bird Activity

The Pre-Nursery children enthusiastically participated in the **\*“My Feathery Friend”\*** bird activity. Dressed in colourful bird headgears, the little learners looked adorable and confident. Each child spoke a few simple lines about that bird, enhancing their speaking skills and self-expression. This joyful activity helped children recognize different birds while building confidence, creativity, and love for nature in a fun and engaging way.

The background of the image is a dense, overlapping layer of autumn leaves. The leaves are primarily in shades of bright yellow and orange, with some deeper reds and oranges visible. The lighting is bright, creating a high-contrast, almost ethereal effect with some areas appearing very bright and others in soft shadow. The leaves are of various sizes and orientations, creating a textured, organic feel.

# **SKG ACTIVITIES**

# SEED GERMINATION ACTIVITY

## MAGIC OF GROWING

As part of experiential learning, SKG students explored seed germination through a hands-on activity. Children observed how seeds grow with soil, water, and sunlight, fostering curiosity, environmental awareness, and learning by doing, as emphasized in NEP.

# SPORTS DAY

Focusing on holistic development of the children, school organised Sports Day and gave a platform to young learners of SKG to participate in different movement based activities.

Different races helped children develop gross motor skills, teamwork, discipline, and confidence while following rules in a joyful learning environment.

Races like PACK YOUR BAG helped them develop independent life skills. While races like BALLON BLAST encouraged team work, eye hand coordination, focus and joyful participation.

Overall Sport day became a meaningful learning experience with curved smiles on the faces reflecting NEP integrated physical, social, emotional and cognitive learning.

# COMPETITIONS

## NURTURING SKILLS AND VALUES

Competitions play a vital role in nurturing creativity, critical thinking, and teamwork among students. Aligned with the vision of NEP 2020, they encourage holistic development by moving beyond rote learning and focusing on skill-based growth. Such platforms provide equal opportunities for learners to showcase their talents, build confidence, and strive for excellence. Through healthy participation, students are empowered to become innovative, future-ready citizens.

## **\*\*REFLECTIONS FROM OUR PARENTS\*\***

I would like to appreciate the wonderful efforts of all the teachers ,staff members and students for organizing such a beautiful event — Harshotsav. The performances were well-planned and enjoyable.

I'm especially proud to see my son performing the role of Lord Rama with such confidence and devotion. It was a proud and emotional moment for us as parents.

Thank you to the teachers for guiding and encouraging the children so well. The event was truly memorable and reflected the hard work and dedication of the entire team.

Thankyou

P/O Krishiv Uniyal pre nursery A 🙌

"Harshotsav" was truly spectacular! The kids absolutely shine on stage, showcasing their incredible talents. Specially kids performing "Ramayana" was a pleasure to watch. A huge round of applause to our talented students and dedicated teachers for an unforgettable event! Teachers effort, enthusiasm, and passion were palpable. Well done to everyone involved! 🎉👏

P/O Advika baranwal Pre Nursery A

The event of Harshotsav was marvelous . This is the first time we have seen such small children dancing and acting on a religious topic. The teachers and the children worked very hard. We would like to thank you all for organizing such a program. Thank you.

For Curriculum and Activities:

The curriculum balances the academic and creative Hands on activities perfectly. It makes learning very relevant and engaged. Child comes back eager to share about their school Activities which is the best sign for an effective education.

Thanks.

I am very happy that my child is in the hands of such eminent, skilled, and professional teachers, staff of VBPS. I am impressed with your curriculum and teaching methods. Well planned activities like hindi, English group song intra class competitions which enhance sportsman ship among children. Various inter class competitions like english and hindi story narration competions where children enhance their imaginations. There was mother's day celebration which made mother-kid- teacher bond stronger. Small-small class parties on various events which are developing sharing & caring bond among kids. VBPS celebrates all festivals with kids that enhancing their knowledge for same. My personal experience with school is delightful, My child (Reyansh Verma) who was shy in public speaking is now Ranking 1st in story narrating competitions. All activities respected teacher organising are bringing best of my kid out. Reyansh enjoys going to school like anything specially on swimming class day which i should not to forget to add as it developing independence to go in water in my child. I am really grateful to be a part of VBPS parent group.

**Vandana Verma P/OReyansh Verma's SKG-H**

We are grateful for this wonderful school. The inclusive atmosphere you have created truly makes the school the 2nd home for the child where they feel safe and excited to learn every single day.

The activities done in class have helped my son gain confidence. The fact that the teachers keep in mind that every child learns at a different pace has helped us a lot. There is no undue pressure on the little kids. They learn while playing and enjoying themselves. And this helps in making a positive relationship with school.

The concepts are taught in a way to build a solid foundation for the kids.

# Workshop on Capacity Building Program on Toy-Based Pedagogy

- Date of Workshop : 29th November 2025
- Time: 8:00 a.m. till 3:00 p.m.
- Venue: Pre-Primary Auditorium,
- Organized by: Vishwa Bharti Public School, Noida
- Resource Person : Ms. Seema Wahi Mukherjee
- Participants: Teachers from Pre-Primary to Class 2

The purpose of this CBSE-recommended Capacity Building Program was to develop teachers' competencies in implementing toy-based pedagogy as part of experiential and activity-based learning. The workshop aimed to align teaching practices with the National Education Policy (NEP) 2020 by promoting learning through play, exploration, and hands-on experiences. The session focused on equipping teachers with practical methods to integrate educational toys and manipulatives into classroom teaching to enhance concept clarity and learner engagement.

The Capacity Building Program on Toy-Based Pedagogy successfully fulfilled its objectives and contributed to enhancing teacher preparedness for implementing CBSE's experiential learning practices.

The school expressed gratitude to Ms. Seema Wahi Mukherjee for delivering an engaging and insightful session. The enthusiastic participation of all teachers played a key role in the success of the program
