

Circular No. 01/2025-26

Date:02/07/2025

Dear Parents,

Warm Greetings!

I take this opportunity to introduce myself as the newly appointed Principal of Vishwa Bharti Public School, Noida. It is truly an honor to be a part of this esteemed institution, known for its commitment to academic excellence and strong value system.

With several years of experience in school education, I firmly believe that a child's growth is best nurtured through a collaborative relationship between home and school. When parents and educators work together with mutual trust and shared vision, we create an environment where children flourish – academically, emotionally, and socially.

As I begin this new journey at Vishwa Bharti, my focus will be on building a safe, inclusive and engaging space for every child, where learning is joyful and meaningful. While academic achievement remains a key focus, equal importance will be given to character development, creativity and responsible citizenship.

I look forward to your support and partnership in making this journey enriching for our students. Please feel free to reach out - I value open communication and believe in working together for the best interest of our children.
